## ΕΙΣΑΓΩΓΗ

### αποστολή

Η μη Κυβερνητική Οργάνωση ΕΛΙΞ καλλιεργεί, από το 1987, την εθελοντική συνείδηση και προωθεί την εθελοντική προσφορά. Βασικός στόχος της είναι η συμβολή στην προσωπική ανάπτυξη του ατόμου και η εξέλιξή του ως πολίτη του κόσμου μέσα από την ενεργό συμμετοχή στα κοινά. Η ΕΛΙΞ πραγματοποιεί διεθνείς δράσεις εθελοντικής συμμετοχής με αντικείμενο την προστασία του περιβάλλοντος, τη διατήρηση της πολιτιστικής κληρονομιάς, την προώθηση του πολιτισμού και την κοινωνική προσφορά.

### στόχος

Στόχος της ΕΛΙΞ είναι να συγκροτεί ομάδες ανθρώπων από όλο τον κόσμο, με διαφορετικές καταβολές, οι οποίοι, μέσα από τη συμμετοχή τους σε προγράμματα εθελοντικής εργασίας περιβαλλοντικού, πολιτιστικού, κοινωνικού ενδιαφέροντος, ζουν, μαθαίνουν και εργάζονται ομαδικά. Τα προγράμματα εθελοντικής εργασίας της ΕΛΙΞ προωθούν τη διαπολιτισμική ανταλλαγή μεταξύ των εθελοντών και τους προσφέρουν τη δυνατότητα να συμμετέχουν ενεργά στην καθημερινή ζωή μιας τοπικής κοινωνίας.

### δράσεις

🌀 Η ΕΛΙΞ οργανώνει προγράμματα εθελοντικής εργασίας δύο ή τριών εβδομάδων, κυρίως κατά τη διάρκεια του καλοκαιριού, όπου οι συμμετέχοντες μαθαίνουν, μεταξύ άλλων, παραδοσιακές τεχνικές συντήρησης και αναπαλαίωσης πέτρινων κτηρίων, καθαρισμό και διάνοιξη μονοπατιών και καλντεριμιών. Κατά τη διάρκεια ενός προγράμματος εθελοντικής εργασίας, οι εθελοντές προσφέρουν εθελοντική εργασία σε διάφορους φορείς φιλοξενίας, οργανώνουν και συμμετέχουν σε διάφορες πολιτιστικές και άλλες δράσεις, μοιράζονται ιδέες. Τα προγράμματα της ΕΛΙΞ προσφέρουν στους κατοίκους μικρών και μεγάλων κοινοτήτων της Ελλάδας την ευκαιρία να έρθουν σε επαφή με ανθρώπους από όλο τον κόσμο και, με τη συμβολή αυτών, να πραγματοποιήσουν σημαντικές δράσεις.

🌀 Η ΕΛΙΞ διοργανώνει εκπαιδευτικά σεμινάρια για ομαδάρχες προγραμμάτων εθελοντικής εργασίας. Επίσης, πολλές δράσεις που απευθύνονται σε εθελοντές, καθ' όλη τη διάρκεια του χρόνου, όπως για παράδειγμα μονοήμερες ή διήμερες εκδρομές, περιβαλλοντικές, πολιτιστικές και άλλες δράσεις, τακτικές συναντήσεις με τους εθελοντές.

🌀 Τέλος, η ΕΛΙΞ πραγματοποιεί δύο προγράμματα φιλοξενίας μέσα στα πλαίσια της Ευρωπαϊκής Εθελοντικής Υπηρεσίας του Προγράμματος "Νέα Γενιά σε δράση", μέσω του οποίου, κάθε χρόνο, στέλνει επίσης ένα μεγάλο αριθμό εθελοντών στο εξωτερικό.

### πόροι

Οι πόροι της ΕΛΙΞ προέρχονται κυρίως από τα ποσά που πληρώνουν οι εθελοντές για συμμετοχή σε πρόγραμμα εθελοντικής εργασίας, τοπικούς και εθνικούς φορείς, όπως η Γενική Γραμματεία Νέας Γενιάς, το Υπουργείο Περιβάλλοντος, Χωροταξίας & Δημοσίων Έργων, το Υπουργείο Απασχόλησης και Κοινωνικής Προστασίας, από Ιδρύματα και ιδιωτικούς φορείς, από δωρεές και από Ευρωπαϊκά προγράμματα, όπως το Leonardo da Vinci κα.

**από το 1987, χρονιά ίδρυσης της ΕΛΙΞ,**

**300 προγράμματα εθελοντικής εργασίας** διοργανώθηκαν σε διάφορες περιοχές της Ελλάδας

**4.800 εθελοντές** από όλο τον κόσμο συμμετείχαν σε προγράμματα στην Ελλάδα

**104 τοπικές κοινωνίες** στην Ελλάδα αξιοποίησαν και χάρηκαν την προσφορά των εθελοντών

**1.916 Έλληνες εθελοντές** συμμετείχαν σε εθελοντικά προγράμματα στο εξωτερικό

**478 ομαδάρχες** της ΕΛΙΞ συντόνισαν τα προγράμματα

## ΓΕΝΙΚΕΣ ΠΛΗΡΟΦΟΡΙΕΣ

Τα προγράμματα εθελοντικής εργασίας στην Ελλάδα διοργανώνονται σε συνεργασία με υπουργεία, οργανισμούς τοπικής αυτοδιοίκησης, δασικές υπηρεσίες, πολιτιστικούς συλλόγους, κλπ. Η διάρκειά τους ποικίλλει, από 2 έως 3 εβδομάδες, και πραγματοποιούνται κυρίως κατά τους καλοκαιρινούς μήνες. Οι περισσότερες ομάδες αποτελούνται από 15 εθελοντές και δύο ομαδάρχες που είναι επικεφαλής της ομάδας. Η ΕΛΙΞ καθορίζει για κάθε πρόγραμμα ένα συντονιστή, ο οποίος βρίσκεται σε συνεχή επικοινωνία με τους ομαδάρχες και το φορέα φιλοξενίας. Τα προγράμματα κατά την πλειοψηφία τους απευθύνονται σε ενήλικους εθελοντές, εκτός από την περίπτωση των προγραμμάτων ειδικά για εφήβους. Εφόσον ανήλικοι εθελοντές επιθυμούν να συμμετάσχουν σε ένα από τα προγράμματα της ΕΛΙΞ, πρέπει να συνοδεύουν την αίτησή τους με μία επιστολή συναίνεσης για τη συμμετοχή τους, υπογεγραμμένη από γονείς ή κηδεμόνες.

### **εργασία**

Κάθε φορέας φιλοξενίας καθορίζει, σε συνεργασία με την ΕΛΙΞ την εργασία που θα παράσχει η ομάδα και υποχρεούται να καθοδηγεί την ομάδα κατά τη διάρκεια του προγράμματος, καθώς και να ενημερώνει την οργάνωση για οποιαδήποτε αλλαγή, ώστε να ενημερώνονται, με τη σειρά τους και οι εθελοντές. Καθώς υπάρχουν αστάθμητοι παράγοντες, ίσως κάποιες φορές να μην είναι δυνατή η ενημέρωση των εθελοντών για αλλαγές στη δουλειά, πριν την έναρξη του προγράμματος. Πάντα, παρόλα αυτά, η ΕΛΙΞ φροντίζει να ενημερώνει έγκαιρα και σωστά όλους τους συμμετέχοντες. Οι εθελοντές εργάζονται 5-6 ώρες την ημέρα, 5 μέρες την εβδομάδα, με την καθοδήγηση ενός τεχνίτη του φορέα φιλοξενίας, αν αυτό κριθεί απαραίτητο από τη φύση της εργασίας. Οι εθελοντές πρέπει να έχουν υπεύθυνη στάση σε σχέση με την εργασία του προγράμματος που έχουν επιλέξει. Κατά συνέπεια, να φέρονται με σύνεση και να έχουν κατανόηση.

### **διαμονή**

Η ΕΛΙΞ, σε συνεργασία με τους φορείς φιλοξενίας, διαμορφώνει χώρους κατάλληλους για τη διαμονή των εθελοντών. Οι εθελοντές, συνήθως, φιλοξενούνται σε σχολεία, κέντρα νέων, ξενώνες, κλπ., με βασικές ευκολίες (ντους, τουαλέτες). Κάθε μέρα, σύμφωνα με πρόγραμμα που καταρτίζεται από τους ομαδάρχες και σε συνεργασία με την ομάδα, δύο εθελοντές είναι υπεύθυνοι για την καθαριότητα του χώρου φιλοξενίας της ομάδας, καθώς και την προετοιμασία όλων των γευμάτων της ημέρας.

### **γλώσσα**

Τα προγράμματα της ΕΛΙΞ έχουν, στην πλειοψηφία τους, ως γλώσσα επικοινωνίας την αγγλική. Υπάρχουν και περιπτώσεις γαλλόφωνων ή ελληνόφωνων προγραμμάτων. Σε κάθε περίπτωση, οι εθελοντές πρέπει να μπορούν να επικοινωνούν με τα υπόλοιπα μέλη της ομάδας τους και με τους ομαδάρχες.

### **ασφάλιση**

Οι εθελοντές ασφαλιζονται από την ΕΛΙΞ, σε περίπτωση ατυχήματος, για όλη τη διάρκεια του προγράμματος στο οποίο συμμετέχουν. Πρώτες βοήθειες παρέχονται άμεσα.

### **ελεύθερος χρόνος**

Οι δραστηριότητες του ελεύθερου χρόνου στα περισσότερα προγράμματα δεν είναι δυνατόν να καθοριστούν εκ των προτέρων. Εξαρτώνται από τις δυνατότητες που προσφέρονται σε κάθε περιοχή, καθώς και από τα ενδιαφέροντα και τις ανάγκες της ομάδας. Οι δραστηριότητες του ελεύθερου χρόνου δεν καλύπτονται οικονομικά από την ΕΛΙΞ.

### **έξοδα**

Η ΕΛΙΞ σε συνεργασία με κάθε φορέα φιλοξενίας καλύπτει τη διαμονή και τη διατροφή των εθελοντών, αλλά οι εθελοντές πρέπει να καλύψουν τις ταξιδιωτικές τους δαπάνες, καθώς και τις δαπάνες για τον ελεύθερο χρόνο, κατά τη διάρκεια του προγράμματος.

## ποσό συμμετοχής

Το ποσό συμμετοχής σε ένα πρόγραμμα εθελοντικής εργασίας είναι €100. Για κάθε επιπλέον πρόγραμμα, η συμμετοχή ανέρχεται στα €80. Οι εθελοντές πληρώνουν το ποσό συμμετοχής είτε μέσω τραπεζικής μεταφοράς με ονομαστική κατάθεση είτε στα γραφεία της οργάνωσης με μετρητά. Σε κάποια προγράμματα πιθανό είναι να υπάρχει ένα extra fee – κυρίως σε αναπτυσσόμενες χώρες – που πληρώνεται κατευθείαν στους ομαδάρχες, όταν φτάνουν στο πρόγραμμα.

## επεξήγηση για τους τίτλους των προγραμμάτων :

Οι χαρακτηριστές στην αρχή του τίτλου αποτελούν τη συντομογραφία της οργάνωσης φιλοξενίας, ακολουθεί ο αριθμός του προγράμματος και το όνομά του. Στη συνέχεια, αναγράφονται η περιοχή ή η ευρύτερη περιοχή που διεξάγεται το πρόγραμμα, οι ημερομηνίες ή η διάρκειά του, το είδος του προγράμματος και τέλος ο αριθμός των συμμετεχόντων εθελοντών και το όριο ηλικίας. Θα πρέπει να σημειώσουμε ότι μερικές οργανώσεις δεν ακολουθούν αυτή τη μορφοποίηση στους τίτλους τους αλλά σε γενικές γραμμές όλες έχουν την ίδια διάταξη.

## σημείωση :

Για τα προγράμματα εθελοντικής εργασίας που ακολουθούν , έχει γίνει **κράτηση 1 ή 2 θέσεων** για έλληνες εθελοντές , **μέχρι τις 30 Μαΐου**. Σε περίπτωση που δεν καλυφθούν από έλληνες εθελοντές οι θέσεις θα ανοίξουν για εθελοντές από τις υπόλοιπες χώρες. Για μεγαλύτερη ποικιλία προγραμμάτων ανατρέξτε στον πλήρη κατάλογο με τα προγράμματα εξωτερικού 2010.

**The Project:** In the past volunteers have worked on the mountain bike trails and riverside footpaths. The area is known as one of the best places in the UK for mountain biking. This project will involve maintaining the walkways around the Afan Forest and possibly some habitat management. **The Local Area & The Community:** To many people the county of Neath and Port Talbot is associated with the steel industry but in fact the Neath valley is a beautiful area with spectacular waterfalls, forests and hills, and a wide variety of wildlife. Volunteers will be able to enjoy some of the region's castles and the nearby cities of Swansea and Cardiff. It is known as one of the best places in the UK for mountain biking and has one of the country's largest mountain biking trails. **The Accommodation:** The group will be based at the Cross Community Centre in the centre of Pontadawe. The centre has a kitchen and bathrooms. Showers are provided at the swimming pool nearby so volunteers will need to be prepared to be adaptable. **The Essentials:** Sleeping bag and mats, Warm clothing and waterproof jackets and trousers as Welsh weather can be cold and wet even in the summer! Good, sturdy, steel toe-capped boots **Great For Volunteers Who...** Enjoy working in the outdoors. Are reasonably fit and healthy. Are prepared to be flexible. Are enthusiastic and prepared to work hard! **Location:** Neath Port Talbot **Meeting point:** Neath Railway Station

**PREPARATION DAYS (Obligatory and free)!**  
Location: Marche-en-Famenne

**Dates:** From Friday 9th to Saturday 10th of July **Purpose:** To gather all the volunteers and camp leaders who participate in projects that start on the same date. This is also the official welcome session offered by the CBB team. On Saturday, all the volunteers will leave for their own workcamp place. **The project:** "Centre Couleurs du Monde" is a refugee centre of the Belgian Red Cross that takes care of refugees. At a time it can host up to 165 people who asked for asylum in Belgium. Their stay in the centre is temporary and lasts until the necessary documents to stay legally in this country are ready and their refugee status is proved. Centre provides such services as accommodation, food, educational courses, medical and social help, cultural, sport events etc. One of the most important point is that the centre can grant for inhabitants is international exchange not only between themselves but also between them and volunteers from all over the world. That is the main purpose of the camp – intercultural exchange by way of work. But don't be lazy and explore the internet by yourself – you can find a lot of information ☺. **Work:** If you are creative, if you like to decorate using all sources of your imagination – that's your camp! Freedom for your ideas! And the center's corridor waits for you – it needs to be decorated to create a warm atmosphere and give a chance to work together – volunteers and refugees. Feel free to bring any thoughts and suggestions. Are you good at photographing, cannot live without painting, or love to work with textile? Wood, glass, paper? Or you have your own technology of decoration? You are very welcome! If you are going to use some specific 'tools' that the Centre probably cannot have such as camera – take them with you, except surely ladders, brushes, paint etc ☺. **Accommodation:** Accommodation will be provided in the Centre itself – 2 rooms per 4 volunteers each. Every room has its own bathroom and toilet. Smoking and alcohol drinking inside is strictly forbidden. **Food:** Food will be provided, relax – no cooking! But if volunteers want to prepare something special to their new friends – it is really welcome! Good news if you do not like pork – due to some of the refugees do not eat that, it is not cooked. If you keep a vegetarian diet – you are welcome as well. **Location:** Rendeux is a countryside village that lies in the country's Walloon Region and Luxembourg Province and accounts up to 2,500 inhabitants. The village of Rendeux is situated in the valley of the River Ourthe in an area which attracts many visitors both for its natural beauty and for such nearby medieval villages as La Roche and Durbuy. For more details, please, visit: [www.rendeux.be](http://www.rendeux.be) **Specific information:** Motivation letter is necessary. **Meeting Point:** Marche-en-Famenne train station, on Friday 9th July between 4.30 and 5.30 pm. Volunteers will go to Rendeux together on Saturday. **Camp language:** English and French, and also due to a lot of people all over the world are here, you can discover numerous of others! Facial expression, sign language and emotional interjections may help you in any situation! Feel free!

<b>CBB07</b>	<b>GRIMM</b>	<b>Marche-en-Famenne</b>	<b>06/08-22/08</b>	<b>MANU, ENVI,A4A</b>	<b>11vols</b>	<b>18+</b>
--------------	--------------	--------------------------	--------------------	-----------------------	---------------	------------

**PREPARATION DAYS (Obligatory and free)!**  
**Location:** Marche-en-Famenne **Dates:** From Friday 6th to 7th Saturday from of August  
**Purpose:** To gather all the volunteers and camp leaders who participate in projects that start on the same date. This is also the official welcome session offered by the CBB team. On Saturday, all the volunteers will leave for their own workcamp place. **The project:** The Marche-en-Famenne workcamp is the outcome of the collaboration between municipal authorities and a local non-profit organisation. Six years ago, the mayor and deputies wanted to develop international contacts for the local youngsters. GRIMM association was just beginning to work on the protection of the local life framework and promoting models of sustainable development. Their members had a full load of ideas but were short of hands to realise them. Thus, they came to the idea of involving volunteers from all over the world. Since then, the municipality provides its buildings every summer and welcomes foreign youngsters. GRIMM members organise the work.

With the help from the volunteers, they are finally able to realise the projects they dreamt about. Their actions are based on the following philosophy: Nature belongs to everyone. And that each of us may enjoy it, it has to be protected. **Work:** Volunteers will do the construction of two shelters and take care of objects constructed by previous workcamps – a barbecue area, benches, shelter. This workcamp is only based on manual and outdoor tasks and the work might sometimes be exhausting. On the other hand, GRIMM team will prepare a good barbecue for the volunteers to encourage them. **Accommodation:** Accommodation can be compared to a boarding school: a corridor with double bedrooms; toilets and showers are at the same floor. No smoking inside. **Food:** Self-catering. Bring your recipes to enjoy 'kitchen life!' **Location:** Marche-en-Famenne is a city in the countryside. One can find everything there: schools, supermarkets, industries... But still, it is surrounded by woods, fields and small villages where the life rhythm remains rural. Liège, Namur, Brussels and Luxembourg can be easily reached by train in about one hour. For more information see: <http://www.marche-tourisme.be> **Specific information:** During the day, from 7 am to 5 pm, volunteers will cohabit with a group of children using the same refectory. Volunteers will therefore be required not to smoke or drink alcohol in front of the kids. Next, the working place is not the same as the accommodation place so volunteers will leave the town everyday. Sleeping in town, working in the countryside. Please, bring some working clothes and boots you do not mind to get dirty. And rainy clothes in case of wet weather can also be useful. **Meeting point:** Marche-en-Famenne train station, on Friday 6th of August between 4.30 and 5.30 pm. **Camp language:** English and French

**Partner** The village of Seix is very close to the Pyrenees mountains. Seix has a lot of historical buildings. In the past, the municipality already hosted volunteers. The presence of young volunteers had been appreciated and that is the reason why the municipality wants to start this experience again this year. Despite its small size (820 inhabitants), the village of Seix is a dynamic center in the region. This workcamp will be great for people who are fond of nature and mountains. **Work** You will make work of renovation of a traditional washing place in the village. You will work between 4 and 5 hours a day, 5 days a week. If you have quite a bit of time, you will work on another typical washing place in the hamlet of Aunac, about 3km from the city. You will have to walk more to go to work, between 30 and 45 walking time. You may have working in shifts. **Accommodation And Food** In the municipal school with kitchen and sanitary facilities available. **Partner** It is the third international workcamp hosted by the village of Domaize. Opened to this kind of action, it wishes to fully invest the local population and local associations in the welcoming of the young volunteers. The workcamp will be an opportunity for Domaize to create a real dynamics of exchanges by the means of a work. This year the volunteers will build a dry-stone wall in the center of the village and will

help in the organisation of a festival of electronic music. Website: <http://domaisencorps.free.fr/>. **Work** Under the supervision of a municipal councillor, you will build a dry-stone wall: selection and cutting stones, building. You will also help to the organisation of the festival Do Mais En Corps which will happen the 31st of July: setting up the barriers, the panels, welcome the public, green police and cleaning after the event. A week of the camp will deal with the festival. Note that for the festival your schedules will be irregular. **Accommodation And Food** You will be accommodated under tents on mattresses that Jeunesse et reconstruction will make you available. You will go to work by foot (15 minutes). Domaize is 500 metres of altitude, bring warm clothes. You will prepare your meal in a room with a fridge and a cook. There are a grocery and a cafe in Domaize. We cannot be responsible for you if you arrive before the camp starts. Possible accommodation at volunteers expense (please check availability). -----------------	----------------	--------------------	-------------	----------------	--------------

**Partner** Volunteer workcamp were organised by Jeunesse et Reconstruction in Meaulne between 2002 and 2005, in the frame of a programme called "heart of village". During these 3 years, volunteers restored a stone washing place of the 17th century, following a restoration schedule drafted by specialised architects. Last year, the volunteers took part on the revalorization of traditional washing places. This year, the volunteers will work on the maintenance of several elements of the village's build heritage. <http://meaulne2008.over-blog.com/> **Work** Under supervision of a municipal employee, you will first work on the maintenance of the traditional washing place that the volunteers, last year, have started: cleaning to make it more visible and masonry works. Then, you will clean two other traditional washing places completely covered with vegetation. You will clean 10 crosses. Finally, depending of the progress of these works, you will create signs made in wood for hiking trails. You will be divided in small groups. You will work during 5 hours the morning, 5 days per week. **Accommodation And Food** You will be accommodated under tents in the pitch. Jeunesse et Reconstruction will make you available mattresses. You will go to work by bike (about 25 minutes for the farthest site). You will cook in a cooking place with a refrigerator and a cook; dishes and kitchenware will be provided. There are shops in the village: bakery, pharmacy. The supermarket is in Vallon-en-Sully, 9 km away from Meaulne. Jeunesse et Reconstruction will not be responsible for you if you arrive before the beginning of the project. Possible lodging in Meaulne, at your expenses (please check by calling): a campsite "le Cheval blanc" <http://www.allier-tourisme.com/dolce-vita/fr/camping.php?CAMPING-LE-CHEVAL-BLANC&p=839000218> **Location & Leisure** 30 km away from Montluçon. Located in the Allier, at 300 km south of Paris, between Bourges and Clermont Ferrand, the town of Meaulne (800 inhabitants), is surrounded in a landscape of field at the north-west of the forest of Tronçais. This forest is part of the most important oak tree forest in Europe (the trees were planted by Colbert to build the boats of the royal navy) and is also a forest where many people were living, coalmen, blacksmiths, etc. The municipality of Meaulne is famous thanks to the writer Alain Fournier who placed the history of his book "Le grand Meaulne" near "Aumance" in the village of Epineuil, not far from Meaulne. Meaulne is 18 km away from St Amand Montrond, 40 km away from Montluçon and 50 km away from

Bourges. You will be proposed some activities: pedestrian and bike hikings in the forest of Tronçais, visit of the CPIE Pays de Tronçais: knowledge of the forest trees, knowledge of the forest legends. Some other activities, at your expenses, are possible: horse-riding at St Bonnet, swimming, nautical sports on different lakes ( St bonnet, Tronçais), visit of the Alain Fournier museum (le grand Meaulne) at Epineuil le Fleuriel, visit of Montluçon. More information on the websites: <http://www.allier-tourisme.com/>, <http://paysdetroncais.free.fr/>, <http://www.legrandmeaulnes.com/>. **Requirements** 1/ At the end of the work camp, no transportation will be organized by our association. You will then have to arrange your own means of transport to return to the train station. 2 / Our association does not provide a car during the work camp. 3 / Foreigners belonging to the European Union must bring with them a personal EHIC (European Health Insurance Card, for the refunding of medical expenses in your country). 4 / If you have a driving licence, please bring it along in case of necessity. Do not forget to bring: a sleeping bag, warm clothes (a sweater and rain-coat), a bathing suit. For male volunteers: short pants are generally prohibited in the public swimming pools in France, please bring a bathing suit. For work: worn out clothes and strong shoes (like boots - obligatory for your own safety). Your games, songbooks, cassettes, musical instruments and recipes, will be also welcome! To make exchanges and encounters easier, please also bring photographs of your home, some postcards, and small gifts. **Meeting Point** First possibility: You will be met by Jeunesse et Reconstruction at the train station of Vallon-en-Sully, on Sunday 25/07, first day of the work camp at 18.30. The association organizes free of charge the transfer from the train station to the work camp lodging. PLEASE, be on time. From the Austerlitz train station in Paris, take a train to Montluçon. In Montluçon, take a train to Vallon-en-Sully, departure: 17.55, arrival: 18.16. These are indicative hours! For summer time schedules: <http://www.voyages-sncf.com>, <http://www.ter-sncf.com/auvergne>. 2nd possibility: If you miss this appointment, you will have to go to the Vallon-en-Sully train station (either by Montluçon-Ville, or by St Amand Montrond). Then, you will have to go to the work camp by your own means. At Meaulne, ask the town hall (Mairie) where the work camp lodging is. The nearest international access point is Clermont-Ferrand. **Camp Address** Chantier Jeunesse et Reconstruction Mairie, 2 Place de la Mairie, 3 360 MEAULNE. **Project:** La Grève sur Mignon is a small town that is very concerned with environmental issues and new technologies of sustainable development. It is situated in the South of the department amidst the regional marshland wherein there is an old brickyard. This site is very active owing to the commencement of structural renovation work. A hands on learning workcamp focused on eco-construction, with demonstration workshops will constitute our project of intervention. The aim of the project is to transform this old factory into an eco-friendly house with energy sources and a museum area. A training center for new techniques of construction will be developed on this site. The work consists of the dismantlement of a wood floor and various roofing work. It will primarily take place high above the ground with the optimum security (protection net, harness...). The village would like to make this workcamp an opportunity to share special moments with the volunteers. The volunteers will be accommodated in an ecological and comfortable house that respect the environment ( a yurt : Mongol tent with wood frame). "Diversity", "open mindedness", "sharing knowledge", "interculturality" are key words strongly enforced by the willingness of the municipality. In partnership with the inhabitants some time will be reserved for various outings in this rich, touristic region (Marais poitevin, ocean, La Rochelle...). **Accommodation :** mixed in yourte. **Location:** La Grève sur Mignon, 20km from La Rochelle, western part of France. **Next train station :** Niort (Deux Sèvres)

--------------	----------------------	--------------------	-------------	----------------	--------------

**Location:** Peenemuende is located in the northern part of the island Usedom. On the island volunteers will find an impressive landscape with steep coastlines, forests, swamps, marshland, and last but not least, charming fishing spots. From 1936 until 1989 the region was restricted (for army use only), therefore the nature in the surroundings has developed undisturbed. Looking back in history Peenemuende participated in the development of the V-Rockets and today there is a memorial as well as a technical historical information centre reminding us of it. Short trips with sailing boats to other islands in the Baltic Sea are planned.

**Work:** The volunteers will give continuity to the work done in the former concentration and prisoners of war camps. They will work on the area of an external camp of the former women's concentration camp Ravensbrueck where women had to work under extreme conditions. The actual duties will consist in securing the area, measuring, digging burial sites and also to prove by documents all the work done. Surfaces of still existing roads, walls and squares have to be cleaned from vegetation and rubbish. This work will be done in cooperation with the local monument administration. **Nearest train station:** Peenemuende **Nearest airports:** Berlin and Hamburg **Accommodation:** The volunteers will stay in trailers at a youth hostel. **Food:** Full board is included, which means there will be someone cooking for the participants. **Leisure time activities:** Excursions are planned, swimming, short trips to nearby towns...etc. **Further requirements:** Please bring a sleeping bag, a mattress pad, work clothes + gloves, motivation and good humour.

The site has buildings as dinning room and bath-room. Breakfast, lunch and dinner will be provided by specialized staff. **LOCATION:** This workcamp is located in the Cies Islands, in Monte Agudo Island (on the north) to be precise, on the Ría de Vigo, in Vigo Municipality. The Cies Islands and archipelagos of Cortegada, Sálvora and Ons, belong to the National Park of Atlantic Islands of Galicia. The ecologic value of its marine habitat is incalculable because here there are some of the most representative examples of Atlantic marine eco-systems. Marine habitat of the National Park is a big mosaic of different habitats that support an extraordinary diversity of flora and fauna. We can find habitats defined by the European Community like 'community priority': reefs, lagoons or sandbanks covered all the time by no deep marine waters. On land we can find 'community priority' habitats too, likes the grey dunes or the 'aerohalins' littoral bushes or the southerner atlantic humid 'brezo' bushes. The most important problem in the National Park conservation is the human pressure. In Cies Islands the eucalyptus plantations, pines and acacias have occupied the place of native plants. The eradication of these plantations is a very long place process and the National Park is working in and the results will be seen gradually. Actually, it is being done actuations to develop a correct management of the public use, the islands residues, the navigation, the sail, etc. **NOTE:** This workcamp has no access for physical disabled people. **TRAVELLING INSTRUCTIONS:** The access to the workcamp will be by ship from 'Estación Marítima' (besides Nautico) of Vigo Port. The way takes it 50 min. to arrive at Cies Islands.

## OYKPANIA

**Alt-10 Pereyaslav-Khmelnyskyy I Kyiv Region 01/08-14/08 RENO 12 vols 18+ ☺**

**Project partner:** Pereyaslav-Khmelnyskyy Social Services Centre for Youth.

**Project:** The camp is situated in the suburban part of Pereyaslav-Khmelnyskyy. This town has rich history and a lot of places to see. It is situated on the banks of one of the most beautiful rivers in Ukraine - the Dnieper, 100 km to the south-east of Kyiv – the capital of Ukraine. Pereyaslav-Khmelnyskyy is one of the most important places in Ukrainian history. Pereyaslav-Khmelnyskyy has existed since the 10th century. It was a border stronghold of the Kievan Rus state but was overrun by Tatars in 1239. The town began to recover in the 16th century and emerged as a site of Ukrainian Cossack culture. In 1654, Bohdan Khmelnytskyy and his Cossacks met at Pereyaslav to agree that Ukraine, for protection against Poland, becomes a protectorate of Russia – breakdown in the Ukrainian history. There are 17 museums and 7 magnificent parks in the city, so volunteers will enjoy this place. Well-known in Ukraine - Open-air Museum of Folk Architecture is situated in Pereyaslav. Here you can see, among other things, authentic peasant huts of the times of old, smithies and several windmills of the eighteenth century. In fact, a village of the 17th–19th centuries is recreated, complete with gardens and flowers around the houses with whitewashed walls and thatch roofs. In the houses you find icons and decorative towels – exactly the way it looked in the times of old. On the territory of the open-air museum, you can find other museums, one of which exhibits stone idols of the Scythian times of centuries before Christ. **Work:** Open-air Museum of Folk Architecture is integral part of national Ukrainian heritage and is protected by special law. We continue the 14 year project, repairing the historical objects and cultural monuments, participating in the work on the territory of the historic and cultural recreation area in Pereyaslav-Khmelnyskyy. Volunteers will help the workers of the Museum of Ukrainian Folk Architecture through different activities to restore the museum exhibits and to clean the territory of the museum. **Accommodation:** will be specified in later. We have two options: accommodation will be provided in dormitory of the local vocational school or in a local boarding school.

**Food:** will be provided 3 times per day. **Location:** Pereyaslav-Khmelnyskyy, 100 km to the south-east of Kyiv. **Terminal:** Pereyaslav-Khmelnyskyy bus station. **Nearest Airport:** Kyiv Boryspil Airport (KBP).

**Leisure time:** As it was mentioned above there are a lot of museums in Pereyaslav-Khmelnyskyy, so volunteers can explore the history and culture of the Central Ukraine. Bus trip to Kyiv can be organized. Sunbathing and swimming in the Dnieper River and the lake are possible. **What to bring:** Working clothes, sleeping bag, swimming suit, a mat, pocket flashlight, shoes, sportswear, mosquito protection liquid, tapes, musical instruments and everything you need... **Language:** English

**SFER-09 HORSE FARM Nizhniy Novgorod region 08/07-23/07 ENVI 5 vols 18+**

Nizhniy Novgorod was founded in 1221 at the place of fusion of two Great Russian Rivers the Volga and the Oka. From 1932 until 1990 it was named Gorky in honor of great Russian writer, Maxim Gorky. The city has a rich history and more than 600 historical, architectural and cultural sights testify to it. It was subscribed in the list of 100 cities of the world with high cultural and historical profile by UNESCO. Bor is a little town 19 km from Nizhniy Novgorod. It is known as a place for spending summer holidays. However, many people live there the whole year. It is located on the bank of the Volga river. The horse club "Polevitsa" is a part of an orthodox community. They have their own farm where they grow vegetables and fruits and keep cows, pigs and rabbits. There are nine horses in the farm, every weekend many people go to ride horse there. Sometimes groups of children from the Nizhniy Novgorod orphanages go there to ride horse too. It is a great opportunity for them to spend time with horses and to get experience and impressions that they cannot get in everyday life. **Work:** The volunteers are expected to help in the rearrangement of a pond near the farm. Furthermore, participants will look after the horses, help with cleaning, feeding and taking care of them. They will also help to look after the other animals of the farm. They will be involved in organizing animation activities for groups of children from orphanages who will come to the "Polevitsa" during the workcamp as well. For three days during the workcamp they will live in the Makariev convent and help in the garden and farm. **Location:** Nizhny Novgorod region, Bor district. The distances: 25km from Nizhniy Novgorod. **Accommodation:** in two roomed wooden Russian izba (house). There is a Russian bathhouse near the farm and a summer shower. The volunteers will prepare food themselves. **Leisure time:** The volunteers will be able to learn horse riding, go on a horse-riding trip, or a night horse-riding trip. Walking in the forest, gathering berries and mushrooms and swimming in the Kerzhenets river also

could take place. It is possible to have an excursion to the very famous Makariy cloister, an ostrich farm there and to make a tour through Nizhniy Novgorod. **Language:** English. **Terminal:** Nizhny Novgorod train station/airport.

A camp for musicians! Can you play an instrument well or sing? Do you have an experience on performing music either individually or in a group? GENÇTUR, in cooperation with Kocaeli Yuksek Ogrenim Dernegi (KYOD) organized a music camp in 2003 and now comes the second leg of the same project. We are looking for musician volunteers with a portable instrument who will practice for 10 days and then will perform on the streets of Kocaeli as international youth orchestra together with 5 Turkish members of the group. **Work:** Performing music on the streets. **Remarks:** A motivation letter should be sent with the application, indicating the name of the instrument and the level of talent of the volunteer. **Accommodation:** In a dormitory. Sleeping bag and mat are not necessary. **Food:** Will be supplied in a restaurant. **Language:** English. **Location:** Kocaeli is a neighbour city of Istanbul located in the north-west of Turkey. **Terminal:** Istanbul.

<b>GEN-10</b>	<b>FUN WITH KIDS-1</b>	<b>YENISAKRAN</b>	<b>06.07 – 26.07</b>	<b>SOCI, KIDS</b>	<b>3 vols</b>	<b>18+</b>
---------------	------------------------	-------------------	----------------------	-------------------	---------------	------------

GENÇTUR is going to organize a summer camp for a group of kids aged between 10-14 and teenagers aged 14-17 whose families are financially supporting for this holiday in a youth centre by the seaside. The kids group will stay for 10 days and the teens for the following week. The main projects are photography for the kids group and filming for the teens. For the details of the teen group, see GEN-13 camp description. We are looking for communicative, talkative volunteers who are at least 20 years old with a good command of English. Because practising English with songs, games and dialogues will be a part of your task. Experience on photography and short film making is preferable. Apart from this, some abilities on one of the following fields will be preferred: Any sports (like basketball, volleyball, swimming, football, table tennis, etc.) fine arts, handicrafts, music, dance, drama and group & outdoor games. Previous experience will be preferred and a motivation letter with a pass size photo should complete your application form. Applicants will be contacted by the camp leaders via Skype or MSN. Please add your Skype or MSN address on the application form. You will share the responsibilities of the leading team to take care a group of kids and teens from the meeting point till the end of the camp; including the travel to the camp site, the trips outside of the camp as well as all kinds of activities during the camp. Please note that you will be dealing with the kids / teens through the given & intensive program all day long. You will spend most of your time with the kids / teens in the camp area with a limited private life. Thus contact with the local is very limited however you will have contact with the working people in the campsite. Volunteers may have fun together only after the kids go to the bed and the team cover the daily late staff meeting in the camp. Leaving the camp area is not allowed due to unexpected emergency cases. Teamwork is very essential for this camp. Thus any volunteer who disagrees with the camp rules and team spirit are asked to leave. **Work:** Counselling a group of children aged between 10 - 14 and teens of 14-17, leading several activities for them. Volunteers will be hosted by GENÇTUR and spend one night in İstanbul, as the group will depart to the camp site on 07.07 in the evening. **Accommodation:** In Afacan Youth Centre ([www.afacan.de](http://www.afacan.de)) in 3-6 bedded rooms with toilet and shower. Sleeping bags and mats are not necessary. **Food:** Will be supplied at the campsite. The counsellors will eat together with the group of children / teens whom they are responsible for. **Language:** English. **Location:** Yenisakran is by the Aegean Sea, in west of Turkey. The next city is Izmir. **Terminal:** Istanbul. Note: Smoking & drinking alcohol is not allowed during the camp at the campsite in front of the kids. **IMPORTANT:** All of the applications for this camp will be evaluated together on 10th of May. Volunteers should not expect an earlier answer unless they fit all the expectations of the camp management.

**GSM11 Urla Izmir 31.07-15.08 ENVI/RENO 18 vols 18-28 ☺**  
**Partner:** Our partner is Urla Municipality. We have been cooperating with Urla since 1994 and organised more than 10 camps. More information about Urla and the municipality can be found at [www.urla.bel.tr](http://www.urla.bel.tr).  
**Work:** The main activity in Urla will be working at the constructions of parks and recreational areas around the town. As the parks at which our volunteers are working are completed, there will be a grand opening during the vintage season. **Food and accomodation:** Cafeteria / Guesthouse **Location:** Urla is one of the westernmost towns of Turkey in Izmir. Only 38 km away from Izmir, it is located on the peninsula surrounded by the Aegean Sea surrounding Izmir Gulf. The population in Urla is also ethnically diverse. There are some Yugoslavian, Romanian, Bulgarian and Greek migrants inhabiting Urla for quite some time.  
**Terminal:** Nearest international airport: Izmir.

**GSM17 Adalar Istanbul 21.08-05.09 ARTS 18 vols 18-28**  
**Partner:** Our partner is Adalar Municipality. This will be our first time cooperating with Adalar Municipality. More information can be found at [www.adalar.bel.tr](http://www.adalar.bel.tr). **Work:** Some workshops on arts, photography, sculpture and handicrafts will be held in order to prepare an exhibition on all of the inhabited islands. **Food and accomodation:** Cafeteria / Bungalows **Location:** Adalar (meaning "islands") Municipality governs 9 islands of which only 5 are inhabited in the Sea of Marmara. The distance of islands from the mainland varies between 10 and 25 km. The islands are also known as "Prince Islands" for the reason of being used as a place of exile during Byzantion rule. Though the demographics has changed much throughout the last century, Adalar was mostly inhabited by Greek and Armenian minorities. **Terminal:** Nearest international airport; Istanbul. **Special Requirements:** Interest and experience in ceramics, sculpture, photography or handicrafts and a motivation letter.
