

ENROLL IN THE ILEARN TRAINING PROGRAMME

Are you volunteering or working in Greece or
Norway's humanitarian sector?

Are you working in formal or non-formal education
with adults from displacement backgrounds?

Whether you're a teacher, volunteer, or community
educator — this training is designed for you

What you'll gain:

- Learn from a multidisciplinary team with expertise in working with displaced populations in Greece
- Join a European network of vibrant educators across Greece and Norway in exchanging knowledge, experiences, and best practices in adult education
- Access ready-to-use materials and practical tools to enhance your teaching, classroom environment, and students experiences
- Receive a certificate of participation upon completion

The training includes four core modules:

- Culture & Gender
- Teachers' Curricula & Pedagogy
- Integration & Empowerment
- Connection to Formal Education
