

Allianssi Youth Exchanges

Allianssi Youth Exchanges

- Works for intercultural learning and global understanding
- Part of Finnish Youth Co-operation Allianssi which is the National Youth Council of Finland
 - with 117 member organisations
- Operating since 1993
 - some 600 program participants annually
- Member of the Alliance of European Voluntary Service Organisations since 2004

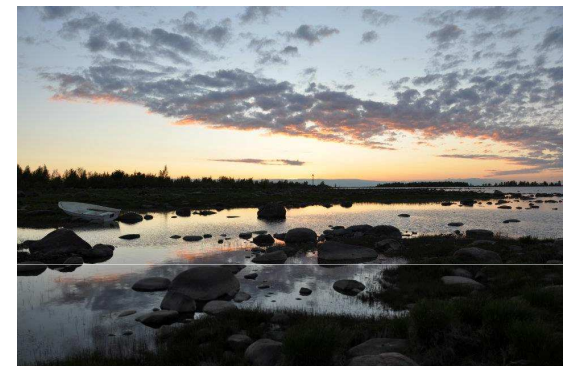

Good practices taking place in 2012

1. Sustainability environment at Perämeri National Park
2. Spreading the word about a good practice!

Sustainability environment at Perämeri National Park

Sustainability environment at Perämeri National Park

- 5 international volunteers
- 1 local community in Lapland
- 2 local institutions
- An experience to be continued in 2013

Spreading the word about a good practice!

- "local motivation session"
- Camp leaders' responsibility
- Multiplying involvement and spread information about volunteering in local community

Thank you!

Good practices to be developed in 2013

1. To go further – Encouraging and involving participant to create their own local action
2. Local actions' certificate

To go further – Encouraging and involving participant to create their own local action

- 1-day session
- Feedback of voluntary experience
- How to use learning gained from voluntary experience
- Commitment in local project

Local actions' certificate

- Own ID to access the website
- Fill in the feedback form
- Keep volunteering in local actions
- Get a certificate
