Social Animation in the district « Cité Rose »

Social Animation in the district « Cité Rose »

- <u>Main purpose</u>: To create social link between the inhabitants, local associations and volunteers (local and international)

- Several projects since 2 years:
  - A French Long-Term Volunteering of 1 year with 2 volunteers animated a room for children to sensitize them on cultural activities
  - An International work camp based on « Sensitization to selective waste sorting »
  - An International work camp based on « Social animations »

- Partnership with a social landlord Paris Habitat

European Volunteering in Bobigny

European volunteering in Bobigny

- Process: A European Volunteer worked during 1 year on several **discovery projects** around the old train station and on a historical project.

- Main purpose: to highlight an **old train station of deportation** during the Second World War

- Specific objectif: **discovery of the heritage** of the Jewish population to **decrease tensions** between communities (Muslims and Jewish).

# European Volunteering with a Youth Structure of Paris

"Culture for All"

European Volunteering
with a Youth Structure of Paris
"Culture for All"

- For the second year, a European volunteer is coming to work with a **youth structure** of Paris for one year

- The main purpose: to facilitate the access of young people to culture: several art exhibitions, culture of their neighborhood

Youth Exchange in Saint-Denis based on European Citizenship and Integration through Sport

Youth Exchange in Saint-Denis based on European Citizenship and Integration through Sport

- Two groups from **popular suburbs** of **Paris** and **Rome** met in Saint-Denis for 10 days

- The main purpose: to create **a feeling of European citizenship** and sensitize them **to Integration through sport** and to the **intercultural meeting**.

- We worked with **a youth structure** of Saint-Denis
